

Dear NCPs,

As you are already informed the European Commission (DG EAC, Marie Skłodowska-Curie Unit) will organise a web-streamed training on **Tuesday 10 June 2014 from 2.00 to 6 pm**, in collaboration with the Research Executive Agency (REA).

The training will focus on the two 2014 calls IF (Individual fellowships) and Cofund under the new Marie Skłodowska-Curie Actions and will be transmitted via the link:

<http://scic.ec.europa.eu/streaming/index.php?es=2&sessionno=55acf8539596d25624059980986aaa78> .

Please note that the live transmission will start approximately 10-15 minutes before the start of the meeting.

The training will take place in **Borchette building rue Froissart 36, room 5B** with ~70 seats available. Therefore there is possibility for people based in Brussels to follow the training in person in the above-mentioned room.

You will find here attached the invitation letter which is necessary for the entrance in Borchette and the draft agenda.

Please feel free to circulate this invitation and the link to all people that might be interested in this training. You may also advertise the event in your websites. If you wish to participate in person you are kindly requested to send me an e-mail by Wednesday 4 June end of business.

For people that will watch remotely, no special registration nor permission by the Commission is needed.

The web streaming will be recorded and be available via the same link for at least one year; we will contact you again once the recorded material is available. This should be within a week after the date of the event.

Thank you very much for your help
