

# V4 Connect France invites you to its event : **IoT Expo Bratislava 2016**, July, 7th & 8th, 2016!

---

The French embassy in Slovakia, jointly with the other French embassies in the countries of the Višegrad group, organizes a conference on the Internet of Things on **July, 7<sup>th</sup> and 8<sup>th</sup>, 2016**.

[IoT Expo Bratislava 2016](#) will gather various players of the start-up ecosystem of 5 countries: France and the countries of the Višegrad group (Slovakia, Hungary, Czech Republic, and Poland) in Bratislava, at the heart of Central Europe.

**The French embassy is pleased to invite you to participate in this event to present your project, to develop your company and to meet future partners.**

**The event is free and open to everyone! Do not miss a great opportunity to meet the players of the Internet of Things in Central Europe.**

#### **Why France and the countries of the Višegrad group?**

The countries of the Višegrad group represent a dynamic inter-linked region, with a high potential in the fields of technologies and innovation. Our ambition is to create an exchange of knowledge, ideas, and opportunities between the start-up ecosystems of these countries of Central Europe and France which is developing fast on this topic.

#### **Who?**

We are inviting start-ups, SMEs, research centers, business angels, venture capitalists, representatives of public authorities, so they can gather to develop scientific as well as business partnerships.

#### **What?**

Keynote speakers sessions, round tables on special topics, presentations, workshops with professionals, BtoB sessions, "meet the made in Slovakia": to see the full program, please [click here](#).

#### **Where and when?**

IoT Expo Bratislava 2016 will take place in Bratislava at the Austria Trend Hotel, during one and a half day on July, 7th and 8th, 2016. This event is organized under the Slovak Presidency of the EU, and is placed under the auspices of the President of the Slovak Republic Mr. Andrej Kiska.
